Gram Vihar's expansive green spaces provided the perfect canvas for a memorable adventure. A DAY AT HINGOLGADH: A ROYAL ADVENTURE FOR YOUNG EXPLORERS

Imagine a day filled with exciting adventures, exploring nature's beauty, and learning about history. That's exactly what students from the **1st and 2nd Grades** experienced on a recent trip to Hingolghadh, the royal sanctuary of Rajkot!

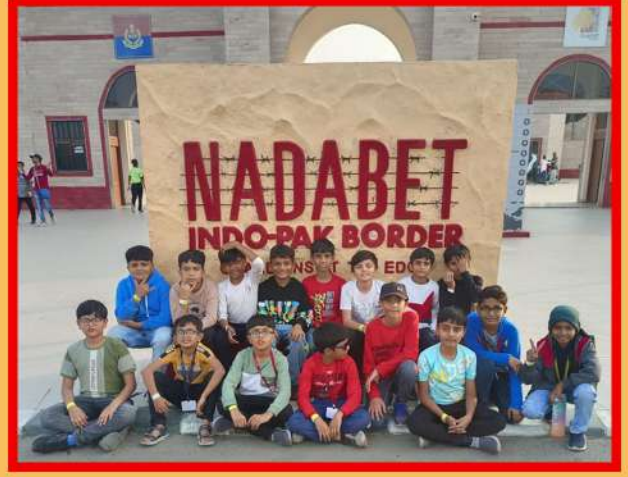

The day began with invigorating nature walks through the lush greenery surrounding the Hingolgarh Fort. The fort itself must have seemed like a giant to the young explorers, as they trekked up its slopes. The challenge was surely worth it, though, as they were rewarded with breathtaking panoramic views of the surrounding landscape from the top.

This trip to Hingolghadh wasn't just about fun and games; it was a valuable learning experience for the students. They gained a deeper appreciation for the beauty of nature and the rich history of the region. The memories made on this trip will undoubtedly stay with them for years to come, perhaps even inspiring them to become future conservationists or historians!

AN UNFORGETTABLE TRIP TO NADABET

Our enthusiastic young explorers from 3rd and 4th Grade had a fantastic time on their recent trip to Nadabet. Immersed in the area's scenic beauty, they reveled in the opportunity to bond with their classmates and create lasting memories. EXPLORING SAPUTARA: A THRILLING ADVENTURE FOR YOUNG ADVENTURERS

Nestled in the picturesque Western Ghats, Saputara beckons with its natural beauty and exciting activities. Our spirited 5th and 6th Graders recently embarked on an unforgettable journey to this hill station, and here's what they discovered:

LUSH GREENERY AND SCENIC

As our adventurers stepped into Saputara, they were greeted by rolling hills, dense forests, and a symphony of chirping birds. The air carried the fragrance of wildflowers, inviting them to explore every corner. Whether it was a leisurely walk through the gardens or a hike up the hills, Saputara's green landscapes left an indelible mark on their hearts

NAVIGATING PARENTHOOD: AN ENLIGHTENING SESSION

On January 7th, 2023, Genius English Medium School hosted an insightful session on parenting, led by the esteemed **Mr. Paresh Bhatt**, founder of The Advice & Assist. This engaging workshop drew in over 100 parents from **Genius School, Jay International School, and Rajkot International School**, all eager to learn and grow in their parenting journeys.

The session delved into critical aspects of raising children, equipping parents with valuable tools and knowledge. Mr. Bhatt shed light on various parenting styles, empowering parents to understand their own approaches and identify techniques that best suit their families. He also addressed the ever-present challenge of anger management, providing practical strategies for navigating difficult situations with children.

Perhaps the most crucial element of the session was the focus on understanding children's minds. By delving into child development and exploring effective communication techniques, Mr. Bhatt empowered parents to connect with their children on a deeper level.

SOARING HIGH AT THE KITE FESTIVAL!

The pre-primary kiddos at Genius School had a day full of wind and wonder at the recent kite festival held at the DH college grounds! We weren't just there to chase after colorful tails in the breeze.

We learned all sorts of fascinating things about kites! Did you know that people have been flying kites for over 2,000 years? We even heard stories about how kites were once used to carry messages and even take people up into the sky (we promised our teachers we'd stick to the ground for now!).

The best part? After learning all about the history of kites, we got to make and fly our very own! There were all shapes and sizes: soaring butterflies, speedy rockets, and even a few wobbly ladybugs.

In a heartwarming celebration of excellence in education, the **Rajkot Self Finance School Management Association** recently honored three outstanding Academic co-ordinators with the prestigious Dronacharya Award. Ms. Bhumi Gadhavi, Ms. Kajal Shukla, and Ms. Bhakti Ganatra were recognized for their remarkable contributions to the field of sports and their dedication to nurturing young talent.
